PROUD TO BE CARLISLE COUNTY OWNED AND OPERATED

“Bike Writer” Makes Stop on Cross Country Tour

Judy Steffes made The Carlisle Weekly a stop on her cross country bike ride last Friday

By Michael Toon
Carlisle Weekly

Judy Steffes has a zest for life and adventure. It was something that you could sense as you spoke with her. “When I speak in public to schools I tell children to get out and have an adventure,” Steffes said.

Since graduating high school the 48 year old Steffes has lived by those words, as she purchased a bicycle and was offered to stay at her sister’s new home in Colorado Springs, Colorado.

Her sister offered to fly her

in on the earliest flight, but Steffes had other ideas, as she thought she would bike from her home state of Wisconsin to Colorado Springs, Colorado.

The thing that Steffes recalled the most of that first journey that still rings true today is that the people that you meet along the way are extraordinary and that the world isn’t such a bad place, as people would leave you to believe. “Anytime I would need a place to stay, or I was at a place where I had to hitch a ride there were people will-

ing to help,” Steffes said.

Her most recent kind people that she encountered were Mike and Sara Lynch of Fulton, Kentucky. The Lynches’ helped Judy map out the area and offered her a place to stay the night.

Throughout her 20 years of travel, Steffes has adventured her way across the United States, Canada, Ireland, Spain, and Germany and parts in between, as she works as a freelance journalist for the West Bend Daily News and is a correspondent for the city’s local FOX Tele-

vision affiliate and the local radio station.

She keeps readers up to date on her most recent journeys and writes for a blog (<http://www.imthebikewriter.blogspot.com>). Her most recent journey began on June 10th in Orlando, Florida, as she flew from Wisconsin to Orlando. Steffes says that she averages 76-80 miles per day and that is with a 100 pound supply kit aboard her bike.

For precautionary measures Steffes stays careful on the roads, avoiding interstates and being aware of suspicious vehicles. She also has a good team of family and friends who watches her home while she is gone and monitors her transactions at her bank.

After speaking with Steffes for an hour or so, I finally pose her the question, why? Steffes explained it to me like this, “When you pass away and they engrave your tombstone there will be a date you were born and a date that you died. The dash in the middle is your life and what you make of that dash is up to you. I would be fully happy and feel my dash was filled in adequately if I died tomorrow,” Steffes said.

Possible Piece of Skull Found in River Bottoms Area

By Michael Toon
Carlisle Weekly

On Tuesday June 19, 2012 Carlisle County Coroner Steve Freeman received a call from a local resident stating that they found what is initially thought to be part of a human skull in the Mississippi Bottoms.

At the time, the residents were riding their four wheelers in the bottoms area and discovered the bone in an area where the riverbed had sunk due to the low amount of rainfall this summer.

The family was looking for pottery along the riverbed and came across what they

thought was pottery. Upon further investigation it appeared to be a piece of human skull.

Carlisle County Coroner Steve Freeman contacted the medical examiner in Louisville and sent photos of the possible skull and the bone to the office to be analyzed.

Carlisle County Sheriff Steve Perry and Coroner Freeman are asking citizens that if they have any information about this case to please contact them.

Burn Ban In Effect

The Carlisle County Judge Executive's Office has issued a burn ban in the county until adequate rainfall is received

©2012 The American National Red Cross

The American Red Cross blood supply has reached emergency levels with 50,000 fewer donations than expected in June. This shortfall leaves the Red Cross with half the readily available blood products on hand now than this time last year.

The Red Cross is calling on all eligible blood donors – now more than ever – to roll up a sleeve and give as soon as possible. All blood types are needed, but especially O positive, O negative, B negative and A negative in order to meet patient demand this summer.

An unseasonably early start to spring may be a contributing factor to this year’s decrease in donations. Many regular donors got an early start on summer activities and aren’t taking time to give blood or platelets. In addition, this year’s mid-week Independence Day holiday has reduced the number of scheduled Red Cross blood drives. Many sponsors, especially businesses, are unable to host drives because employees are taking extended vacations.

Unfortunately, patients don’t get a holiday from needing blood products. The need is constant. Every two seconds,

someone in the United States needs a blood transfusion. Blood and platelets are needed for many different reasons, including accident and burn victims, heart surgery patients, organ transplant patients, premature babies – when there are complications during childbirth – and for patients receiving treatment for leukemia, cancer or sickle cell disease.

“Every day, the Red Cross must collect more than 17,000 pints of blood for patients at more than 3,000 hospitals and transfusion centers across the country. Of that, the Tennessee Valley Blood Services Region must collect approximately 600 pints per day,” said Tim Ryerson, CEO of the American Red Cross Tennessee Valley Blood Services Region. “We need donors to make appointments in the coming days and weeks to help us ensure that all patient blood needs can be met. Each pint of whole blood can help save more than one life.”

“There is always the chance that a physician could postpone an elective surgery if the needed blood products aren’t readily available or, in a worst case scenario, have to forego a more serious procedure because of a shortage of blood.”

Ryerson added. “Our goal is to ensure that doesn’t happen.”

You can help save a life by donating blood at the following blood drive:

7/5/12 12:00 PM
6:00 PM Bardwell Baptist Church 323 US Highway 51 South Bardwell

In addition, donors can find a blood drive in their area by visiting redcrossblood.org or by calling 1-800-RED CROSS (1-800-733-2767) for more information.

A blood donor card or driver’s license, or two other forms of identification are required at check-in. Individuals who are 17 years of age (16 with parental permission in some states), weigh at least 110 pounds and are in generally good health may be eligible to donate blood. High school students and other donors 18 years of age and younger also have to meet certain height and weight requirements.

The Red Cross is a not-for-profit organization that depends on volunteers and the generosity of the American public to perform its mission. For more information, please visit redcross.org or join our blog at blog.redcross.org.

COUNTY NEWS

Three Carlisle County Students Named Governor’s Scholars

Three outstanding students from Carlisle County High School are attending the Kentucky Governor’s Scholars Program this summer. Chaney Brown, daughter of Casey and Tiffany Brown of Cunningham, Derek Hayden, son of Darryl and Amy Hayden of Fancy Farm, and Sawyer Rambo, son of David and Sonya Rambo of Cunningham, were chosen to participate in this highly esteemed program.

Governor’s Scholars is a five-week summer residential program for outstanding high school students in Kentucky who are rising seniors. The Program originated in 1983 as a result of Kentucky leaders’ concern that the state’s “best and brightest” were leaving the Commonwealth to pursue educational and career opportunities elsewhere without fully understanding the potential of their talents at home. Students who are selected attend the Program without charge. In the spirit of partnership, the Office of the Governor, the Kentucky State Legislature, and private enterprise come together to provide the financial support for the Program. In order to participate in the Program, students must be nominated by their high schools and then compete on a state-wide level.

Selection for the program is highly competitive, with an application process similar to that of prestigious colleges and universities. Governor’s Scholars are selected from across Kentucky and represent the diversity of the Commonwealth. The 2012 summer program is being held on the campuses of Bellarmine University in Louisville, Centre College in Danville, and Murray State University in Murray. Chaney Brown is attending the Governor’s Scholars Program on the campus of Murray State University, and both Derek Hayden and Sawyer Rambo are attending the Program on the campus of Centre College.

Ordinance Paves Way for ATV Usage on Bottoms Roads

By Michael Toon
Carlisle Weekly

Last week the Carlisle County Fiscal Court passed the first reading of an ordinance that would allow All Terrain Vehicles (ATVs) to be ridden on the following county roads: 1217, 1218, 1219, 1222, 1308, 1310, 1312, 1324, 1325 and 1331.

The passing of this ordinance is the first step that the county has taken to generate revenue through tourism in the county focusing on ATV usage.

Under this ordinance, riders will have to purchase a permit. The rules for an ATV rider to take advantage of the new ordinance will be the following: 1. Carlisle County residents may purchase an annual permit for a period of 12 months for \$150.00. 2. Residents or non-residents of the county may purchase a permit for weekends from 5:00 p.m. Friday to 8:00 p.m. Sunday for the sum of \$25.00. 3. Residents or non-residents may purchase a 24 hour permit for the sum of \$10.00. 4. The permit shall be issued in the form of a sticker or decal to be placed prominently in plain view on the ATV.

During the fiscal court meeting, Carlisle County Attorney Michael Hogancamp said that riders would have to abide by all other state guidelines and laws that go along with the KRS statutes in regards to age of rider and usage of the ATVs.

Any person who owns or operates an ATV as defined in the Kentucky Revised Statutes in violation of this ordinance without purchase of the required permit shall be fined up to \$250.00.

Carlisle Countians Attend Coach Cal’s Youth Camp

Korie Bowles (left) with his sons Kaden and Kannon Bowles (right of trophy) of Cunningham, Kentucky recently attended Kentucky Wildcat Coach John Calipari's Youth Camp over Father's Day weekend. Korie and his sons are pictured with UK Head Coach John Calipari and the school's 8th National Championship trophy. They attended the camp with Rob Eddleman of Cunningham, Kentucky as well.

WELCOME TO THE WORLD

ASHER KAI BURPO

Proud parents, Tim and Kayla Burpo would like to welcome their son, Asher Kai Burpo to the world. Asher Kai was born on May 2nd 2012 at Western Baptist Hospital at 8:07 a.m. Asher Kai weighed 7lbs 9oz and was 19 1/4 inches long. The proud grandparents of Asher Kai are Tonya Moss, John Moss, Tommy & Carolyn Burpo and Carol & Vernon Griffen. Asher Kai is also the nephew of the proud aunt, Kacie Moss.

Carlisle County Native Talks About Her Foregin Exchange Student Experience

By Becky Sheeks Baucum
Special to the Carlisle Weekly
My Name is Becky Sheeks Baucum , some of you in Carlisle Co have known me since I was about 13 years old when our family moved to Cunningham where my Dad was minister at Bethlehem Baptist Church. This past year was the first time I have ever hosted an exchange student and he was from Sweden. I enjoyed it so much and made extended family in Sweden, I have become an International Exchange Coordinator for EF Foundation. The EF Foundation is one of the leading organizations in student exchange programs. We work very close with our

students, the school and the host family. We have students from 25 different countries and I will work personally with you in finding the student that would best fit in with your lifestyle. I will be in contact every 4 weeks with you, the host family and the student and have an occasional get together with all of the students and host families in the area. I myself have taken two this year a young man from Norway and one from Netherlands. You might say to yourself "Well I would like to but we can't afford it" All you need is an extra bedroom and 3 meals a day and snacks, something we normally do for ourselves. Most students during the school year will eat their noon meal at school and they are responsible for that expense themselves. They just want the experience of a year in America to improve on our language, learn about our culture and share part of theirs with us. Both I and EF Foundation would be there to support you 24/7 we are just a phone call away. If you think you would like to host an exchange student you can call me directly at 270-554-0855 or EF Foundation 800-447-4273 and ask for Clarissa or Kate the placement managers. Don't miss out on this opportunity to be Ambassadors for our country it is very rewarding. You can also email me at rsheeks@msn.com

4-H News

1st row – Nathanael Laird, Laiken Ellegood, 2nd row – Clifton Turner, Weaver Daughenbaugh, Aaron Ellegood, Adrion Daughenbaugh, back row – Dakota Pender
Local 4-Hers attended Aerospace Camp, for some of the youth, it was their first flight ever and their first experiences at the controls. For others it was their second time at the controls. They wish to thank our local 21st Century After School program for providing partial scholarships to 4-H Aerospace Camp.

Carlisle County delegates tattended the Kentucky 4-H Teen Conference on June 11-14 on the Campus of the University of Kentucky in Lexington, Kentucky. Those who attended were Alex Toon, delegate to the State 4-H Teen Council form District 7, Sarah Drysdale, Kathy Meinders, adult volunteer and Abby Frazier

Local Deaths

Leon Johnson, 89

Mr. Leon Johnson, age 89 of Clinton passed away Tuesday, June 19 at Haws Memorial Nursing Home. He was a member of Clinton Second Baptist Church, a Farm Laborer and timber cutter. He is survived by his 4 daughters, Catherine Holdman of Fulton, Nancy Jackson of Clinton, Brenda Hopkins of Fulton and Rita Crider of Evansville, IN; 2 Sons, Larry Johnson of Buchanan, TN and Steve Johnson of South Fulton, TN; Brother, Eugene Johnson of Chicago, IL; 15 Grandchildren and 18 Great Grandchildren. He is preceded in death by his wife, Reveline Dennis Johnson; parents, Luther Johnson and Edna Pulley Johnson Kennedy; 2 sisters and 6 Brothers.

Graveside services were held 11 AM Thursday, June 21 at Oakwood Cemetery with Rev. Larry Byassee officiating. There was no visitation. Burial was in the Oakwood Cemetery.

Mary “Sue” Cash, 96

Mrs. Mary “Sue” Cash, age 96, of Mayfield, passed away at 7:10 a.m. Thursday at Morningside of Mayfield. She was a member of St. Joseph Catholic Church and a homemaker. She is survived by a son, Ted (Kathy) Cash of Mayfield; two daughters, Jouella (Bobby) Perkins of Clinton and Cynthia (Billy) Maddox of Paducah; five grandchildren, Aaron (Penny) Perkins of Murray, Adam Perkins of Cape Girardeau, Mo., Rebekah (Josh) Metzger of Nolansville, Tenn., Kelly (Robert) Walker of Louisville and Amanda Maddox of Los Angeles, Calif.; and six great-grandchildren. She was preceded in death by her husband, Louis A. Cash; her parents, James Albert and Sue Ella Clark Wylie; three brothers, Vernon, Welton and James Wylie. Funeral services were conducted at 1:00 p.m. Saturday, June 23, 2012, at St. Joseph Catholic Church with Father Eric Riley officiating. Burial followed in St. Joseph Cemetery.

The Brown Funeral Home in Mayfield was in charge of arrangements. Memorial contributions may be made to Lourdes Hospice, P.O. Box 7100, Paducah, KY 42002 or St. Joseph Cemetery Fund, 700 West Broadway, Mayfield, KY 42066.

Louis Elmer Wilson, 77

Louis Elmer Wilson, 77, of Fancy Farm died at 5 p.m. Wednesday at Landmark Hospital in Cape Girardeau, Mo. He was a member of St. Jerome Catholic Church and Knights of Columbus 1418, a U.S. Army veteran, and retired from Purolator Company. He is survived by his wife, Patricia Wilson; one son, Greg Wilson of Paducah; three stepdaughters, Sandra Sholar and Theresa Thompson, both of Fancy Farm, and Karla Thompson of Hickory; two stepsons, Clint Thompson of Fancy Farm and Rusty Thompson of King Salmon, Alaska; two sisters, Jane Toon and Marie Johnson, both of Fancy Farm; 14 grandchildren; and 11 great-grandchildren. He was preceded in death

by one son, Douglas Wilson; two brothers; and two sisters. His parents were Elmer and Lillian Simon Wilson. Services were at 11 a.m. Monday at St. Jerome Catholic Church with the Rev. Darrell Venters officiating. Burial followed in St. Jerome Cemetery.

Public Meeting Notice
Budget hearing regarding the use of Municipal Road Aid (MRA) or Local Government Economic Assistance Funds (LGEA)

A Public hearing will be held by the City of Arlington at Arlington City Hall, July 9th, 2012 at 5:00 p.m. for the purpose of obtaining public comments regarding the uses of Municipal Road Aid or Local Government assistance funds for 2012-2013 fiscal year. All interested citizens are invited to attend the hearing and submit oral or written comments for the uses of (MRA) or (LGEA) funds. If any Citizen cannot attend and wants to submit a comment should contact the Mayor of Arlington at 655-2111 or 655-2261 in order to arrange procedures for securing their comments. This ad and hearing must comply with KRS42.455(6) KRS 174.100, KRS 424.120, 424.130, 424.160, abd 4241.170.

Arlington Mayor
Bobby L. McGee

ADAM H. EDELEN
AUDITOR OF PUBLIC ACCOUNTS

To the People of Kentucky
Honorable Steven L. Beshear, Governor
Lori H. Flanery, Secretary
Finance and Administration Cabinet
Honorable Greg Terry, Carlisle County Judge/Executive
Honorable Steve McChristian, Former Carlisle County Sheriff
Honorable Steve Perry, Carlisle County Sheriff
Members of the Carlisle County Fiscal Court
Independent Auditor's Report

We have audited the former Carlisle County Sheriffs Settlement - 2010 Taxes for the period April 16, 2010 through December 31, 2010. This tax settlement is the responsibility of the former Carlisle County Sheriff. Our responsibility is to express an opinion on this financial statement based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America, the standards applicable to financial audits contained in Government Auditing Standards issued by the Comptroller General of the United States, and the Audit Guide for Sheriffs Tax Settlements issued by the Auditor of Public Accounts, Commonwealth of Kentucky. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statement is free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statement. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

As described in Note 1, the Sheriffs office prepares the financial statement in accordance with the modified cash basis, which is a comprehensive basis of accounting other than accounting principles generally accepted in the United States of America. In our opinion, the accompanying financial statement referred to above presents fairly, in all material respects, the former Carlisle County Sheriffs taxes charged, credited, and paid for the period April 16, 2010 through December 31, 2010, in conformity with the modified cash basis of accounting.

In accordance with Government Auditing Standards, we have also issued our report dated May 2, 2012 on our consideration of the former Sheriffs internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with Government Auditing Standards and should be considered in assessing the results of our audit.

Based on the results of our audit, we present the accompanying comments and recommendations, included herein, which discusses the following report comments:

2010-01 The Former Carlisle County Sheriffs Office Lacked Adequate Segregation Of Duties
2010-02 The Former Sheriff Should Have Strengthened Internal Controls Over Financial Reporting
2010-03 The Former Carlisle County Sheriff Should Have Made Deposits On A Timely Basis
2010-04 The Former Carlisle County Sheriff Should Have Distributed Taxes By The 10th Of The Following Month
2010-05 The Former Sheriffs Settlement Should Have Been Prepared In Accordance With KRS 134.192
2010-06 The Former Sheriff Should Have Distributed Interest On A Monthly Basis

Respect fully submitted,
Adam H. Edelen
Auditor of Public Accounts
May 2, 2012

State law requires the Auditor of Public Accounts to annually audit fiscal courts, county clerks, and sheriffs; and print the results in a newspaper having general circulation in the county. The complete audit and any other audit of state agencies, fiscal courts, county clerks, sheriffs, and property valuation administrators may be viewed in the reports section of the Auditor of Public Accounts' website at www.auditor.ky.gov or upon request by calling 1-800-247-9126.

WEEKLY VOICES

MISSISSIPPI NEWS

By Nancy Wilson
June 24

Visitors are always welcome to all our church services. Sunday morning, Men’s Prayer Meeting starts at 9:15. Sunday School starts at 9:45. Worship service is still the same time at 10:50. Sunday night preaching service is at 6:00. Wednesday night meal is at 6:00, students and adult Bible study and prayer meeting is at 7:00.

Sunday morning the call to worship was “Thou Art Worth” and the choir special was “Still I Believe”. Bro. Jason read from Mark 4:39 and the subject was “God Calms The Storms”. We were very glad to have Bro. Mark and family back home. They attended The Southern Baptist Convention is New Orleans, Louisiana last week. We are thankful for the ones that fill in when our regulars are gone. Bro. Mark read from Philippians 4:4-13 and the subject was “Be A Man Of Valor.” Lacey Elliot, Jason Duke, and Cindy Burnett sang the special “How Great

Thou Art.”

Sunday night was a time of congregational songs. Bro. Mark read from Galations 3:26 and gave a time for testimonies.

We wish a Happy Birthday to Chad Hayes, Cody Bishop, Courtney Bishop, Gwyn Brown, Zachary Byers, and Dorothy Evans.

We wish a Happy Anniversary to Dwayne and Tammy Edwards, Ronnie and Ladonna Owens, Jerry and Tammy Hammond, James and Pat Burpo, Scott and Julie Piet, Pete and Yvonne Davis, and Jimmy and Omega Whitlock.

Pray for all the sick and injured: James and Pat Burpo, Ernie Brown, Gary B. Owens, Lavada Bean, Bro. Wallace and Carolyn Smith, Tommy Woodruff, Sharon Burpo, Ann Wild, Debby Crider, Edward Bugsby, Earl and Mary Wallace, David Huff, Bro. Ray Provow, Susie Webb, Jean Terry, Sam Edwards, Jade Cain, Marshall and Patty Higgs, Sue Burpo, Sue Bobo, James Galloway,

Betty Molln, Destiny Wilson, Edwina Petrie, Howard Sims, Ronny Burge, Betty McGee, Juett Polivick, Cecil Polivick, Will Ben Martin, Dale Terry, Josh Bryant, Norma Cates, Robert Hendrix, John Mike Ford, John Pace, Russell Turnbow, Charlie Cannon, Gary Duncan, Danny Duncan, T.C. Carder, Kathy Mason, Valarie Davis, Gail Carder, Tammy Edwards, Howell Cannon, Steve Cannon, Gilbert Nichols, Mary Jo Langston, Megan Story, Glyn Gupton, Chris Burpo, Ann Anderson, Melissa Green, Rachel Johnson, Maxine Todd, Mary Williford, Gracie King, Irene Wooley, Ina Sue Edrington, Susie Bowden, Rozella Goode, Bro. W.A. Bugg and all at the Nursing Homes.

We express our sympathy to the families of Sandra Langston McDaniel, Richard Graves, Delana Alexander, Bernice Graham, Marshall Larkins, Billie Wayne Teeters, and Barry Hammonds.

From Father’s Heart To Yours By Ralph and Pamela Hale

O How Great is Thy Goodness

“In the midst of affliction and trouble and the enemy’s plans to take his life, the Psalmist proclaims, “Oh how great is thy goodness which thou hast laid up for them that fear thee: which though hast wrought for them that trust in thee before the sons of men!” (Psalm 31:19)

Oh , how great our God is! His power, His truth, His love, He is always the same and His goodness is laid up for us who fear Him and trust Him before men.

The Bible says the earth is full of the goodness of the Lord. (Psalm 33:5) The fruit of the earth feeds every living thing. Jesus said that God is so good and merciful that He sends rain on the just and the unjust.

The prophet proclaimed “thee Lord is good a strong hold in the day of trouble.” (Na. 1:7) and He Knoweth them that trust in Him.”

My wife Pamela has often preached from Psalm 34:8 that calls, “O taste and see that the Lord is good.” God’s call has always gone out to mankind to come and see, taste, experience just how good He really is. In Romans 2:4 we are told that it is the goodness of God that leads us to repentance. Isn’t it a comfort to know that God wanted you to be saved when He sent Jesus to take our sins, sickness, grief, sorrow, pain, poverty and everything else sin and the devil had put on us.

This goodness of God is laid up, put in reserve, in lay away. Peter said it is our eternal inheritance preserved in heaven for us. Jesus said to lay up treasures in heaven where moth nor rust could eat it up or take away. “He that spared not his own son but gave Him up for us all, how shall He not with Him also freely give us all things.” (Romans 8:32) In Timothy it says these things are given richly to enjoy. Praise God for the treasure He has laid up for us and it never runs out! But it is all for them that fear Him. “What doth the Lord require of thee but to fear the Lord, to walk in His ways, to love Him, to serve Him with all thy heart and soul?” (Due. 10:12)

“Let us hear the conclusion of the whole matter, fear God and keep his commandments, for this is the whole duty of man.” (Ecc. 12:13) “Honor all men, love the brotherhood, fear God, honor the king. (I Peter 2:17)

These passages and many others tell us that we are to fear God, but it doesn’t mean for us to be afraid of Him. It means to honor and reverence Him. To be afraid of Him is to run away from Him. To respect, honor and reverence Him is to run to Him for you know His goodness is there waiting for you. My love relationship with God through Jesus Christ causes me to fear Him. So much so that my desire to please Him causes me to not ever want to do anything that dishonors or displeases Him.

Then His goodness is for them that trust him before men. I find that most people want to have a secret faith in God. But Jesus said we must confess Him before men. It is a living faith that makes us not ashamed to openly confess Jesus as our Savior and Lord. It is a living faith that causes us to boldly declare Jesus as our healer, provider, peace, joy, and every other thing we ever need or want in life. So that no matter the threat, the trouble, the affliction we confidently proclaim that the goodness of God is laid up for us and we will draw upon it. I had fainted unless I had believed to see the goodness of the Lord in the land of the living!

Oh those men would praise the Lord for His goodness and for His wonderful works toward the children of men! Oh how great is His goodness!

ONE PRESSON’S VIEW

By Kay Presson

Isn't it amazing how we are all connected? Genealogy has always fascinated me, and, even as a child, I listened to the "old folks" talk of their family history.

Fort Holt, located in Ballard County during the Civil War, was the birthplace of my great-grandmother, Bertha

Holt-Penn, also known as "Mama Bert." She was the wife of Gabriel Emmett Penn. Fran Owens and I were discussing our family's history, and discovered we are cousins on the Penn side. Whenever I see R.O., Jack Bowman or Fran, we always greet each other by saying, "Hi, cuz."

Saturday, while at work, I as-

sisted a customer from Paris, TN. During our ensuing conversation, we learned we are distant cousins on the Penn side. Diane Hill-Fisher asked me to tell Jack Bowman and Fran Owens "hello."

So, to reiterate, isn't it amazing how we are all connected?!

KENTUCKY FARM BUREAU’S 2012 FARM VEHICLE REGULATIONS REFERENCE GUIDE NOW AVAILABLE ONLINE

Louisville, KY (June 26, 2012) – Kentucky Farm Bureau (KFB) recently released its 2012 Farm Vehicle Regulations quick-reference guide and has made it available for download at kyfb.com/federation. The updated booklet is designed to help KFB’s members better understand and navigate the new statutes and regulations associated with farm vehicle transportation.

The 17-page guide highlights state and federal guidelines, regulations, exemptions, registration fee schedules and various other pieces of information needed when operating

farm vehicles or implements on Kentucky’s highways.

“Farm vehicle transportation – and the regulations imposed on those activities – is very important to our members, but it can be confusing if someone is not familiar with the state laws,” said Bryan Alvey, KFB’s Director of Local Affairs and Policy Development. “This revised booklet is especially important because the legislative and administrative regulation changes over the last two years were both significant and numerous. Fortunately, all of the changes have been positive for farm vehicle operators.”

These positive changes were the result of KFB working closely with the Kentucky General Assembly, Kentucky State Police Division of Commercial Vehicle Enforcement, and Kentucky Transportation Cabinet.

“Our policy on farm vehicle transportation was adopted by our delegate body and then established by our board as a priority issue for the organization,” said Alvey. “We’re proud to say that we struck a good balance on positive regulation changes for farm vehicle transportation while also maintaining a steady emphasis on safety.”

West Kentucky Rural Electric Cooperative Plans Early Morning Power Outage on July 3

(Mayfield, Ky.) June 20, 2012 – In order to construct a line for the new Milburn substation, West Kentucky Rural Electric Cooperative plans an outage on Tuesday, July 3 from 3:00 a.m. – 6:00 a.m.

Areas affected by this outage include the communities of Milburn, Arlington and Beulah as well as portions of HWY 80 near Arlington, HWY 51 between Arlington and Bardwell, HWY 1748 toward the St. Dennis area and the Shiloh Church area.

West Kentucky Rural Electric Cooperative regrets having to interrupt service to our members and apologizes for any inconveniences this outage may cause.

Members who have questions about this outage can call the West Kentucky Rural Electric office at -1-877-495-7322 or 270-247-1321.

The people of The United Methodist Church!!!

UPCOMING EVENTS

July 1 – Summer Worship – Fountain Avenue UMC at 6:30 p.m.
July 15 – Evening worship will be a potluck followed by dedicating the new piano

This week's inspiration

This week's inspiration from scripture verses Mark 4:35-41: A New York City lab claims to have bottled trust out of a naturally occurring odorless hormone. Common sense tells us that this is nuts. However, trusting people does involve biology and chemistry. What causes us to place our trust in someone? In the story told in these scripture verses, the waves were tall that night. The disciples awakened Jesus to tell Him that the boat was about to sink. He commands the winds to be still and they did. The disciples were stunned. Then Jesus asked them why there were afraid, where's your trust? We want to have trust and faith but sometimes it's hard. Sometimes it might seem easier if we could spray on some liquid trust. Jesus' miracle was calming the disciples during the storm – not calming the storm itself. Jesus is capable of delivering us through all the storms of life. We trust Him because He has demonstrated His love for us.

Easy living, easy saving.

AREA NEWS

SECRETARY GRIMES ANNOUNCES SPECIAL ELECTION FOR STATE REPRESENTATIVE, 2ND DISTRICT

Alison Lundergan Grimes, Kentucky's Secretary of State and Chief Election Official, announced today that a special election will be held on November 6, 2012, to fill the vacant seat in the House of Representatives, 2nd Representative District. The 2nd Representative District is

comprised of Graves County and part of McCracken County. The Hon. Fred Nesler, former Representative for the 2nd District, resigned effective May 31, 2012, vacating the remainder of his term. On June 19, 2012, pursuant to KRS 118.730, Governor

Steve Beshear issued and Grimes certified a writ calling for an election to fill the vacancy. The deadline for Republican and Democratic candidates nominated by their party and independent candidates to file their petitions with the Secretary of State is Tuesday, Oc-

tober 9, 2012, at 4:00 p.m., EST. The special election does not affect or alter the deadlines applicable to the November 6, 2012, regular election to select a Representative from the 2nd District for the new term beginning January 1, 2013.

Traffic on Cairo Bridge Limited to One Lane This Week

A contractor for the Kentucky Transportation Cabinet plans to restrict traffic to one lane on the US 51/US 60/US 62 Ohio River Bridge between Wickliffe, KY, and Cairo, IL, during daylight hours this week.

This lane restriction is to allow daytime maintenance and electrical work on the bridge. Motorists can expect to encounter one lane traffic with alternating flow controlled by flaggers from approximately 7:00 a.m. to

approximately 5:00 p.m., CDT, Monday through Thursday through June 28th. Motorists should be alert for equipment, flaggers, and maintenance personnel on the bridge deck in close proximity to traffic flow. Delays should be minimal, generally less than about 5 minutes. Farmers who need to move oversize equipment across the bridge or truckers hauling wide loads should contact the KYTC Paducah office at 270-898-2431 during normal business hours to make special arrangements to travel through this work zone. The contractor will attempt to accommodate oversize loads in a timely manner. The Wickliffe-Cairo Bridge carries US 51, US 60, and US 62 traffic across the Ohio River at US 51 Kentucky mile point 7.372. Also known as The Cairo Bridge, the US 51/US

60/US 62 Wickliffe-Cairo Bridge carries approximately 5,500 vehicles across the Ohio River each day between Wickliffe, KY, and Cairo, IL. It connects with the US 60/US 62 Mississippi River Bridge to Bird's Point, Missouri at the southern tip of Illinois. The US 51 Ohio River Bridge was constructed by the Cairo Bridge Commission as a toll facility and opened to traffic on November 11, 1936. Tolls were removed from the crossing on November 11, 1948, when the highway departments of Kentucky and Illinois took over maintenance of the structure. Timely traffic advisories for the 12 counties of KYTC Highway District 1 are available by going to www.facebook.com/kytcdistrict1. You do not have to be a Facebook member to access this page.

LETTER TO EDITOR

Dear Carlisle Weekly:

Letter to the Editor

As a former federal worker with 31 years of service at the Department of Defense, the Fourth of July is an important day for me. Since the dawn of our nation, federal workers have played a significant role in America's achievements. The contributions of federal workers will be very much in evidence this week as Americans prepare to celebrate our nation's birthday. Millions of Americans will check a weather report prepared by the National Weather Service, grill meat inspected by the U.S. Department of Agriculture and fly in skies kept safe by the Federal Aviation Administration and the Transportation Security Administration. Others will enjoy time outdoors in our National Parks, travel with children protected by car seats inspected by the Consumer Product Safety Commission, and visit post offices to mail letters and packages to loved ones serving in the military. My fellow federal workers and I are proud of the jobs we've done for America for the last 236 years. We wish you, and the nation we love, a Happy Independence Day.

David L Thompson
Former Air Force Auditor
Sincerely,
David L Thompson

My Wife

*It was hot the summer of '88,
I was running wild, just trying to get a date.*

*Then there she was, the love of my life, I knew right then,
God sent me my wife.*

*-ler pretty brown eyes had stolen my heart,
There would never be anything that could tear us apart.*

Before we could blink, twin boys came about, She made a great mom, there was never a doubt.

With no sleep, nor rest, what would she do? Always a kiss, and an "I Love You."

Then, in four years came our third baby boy, She was so tired, but still gave us joy.

*Even with no money, she made it work out,
Making sure our boys would never be without.*

*Working full-time, and at home too,
Without my dear wife, what would I do?*

*Nursing us through sickness, and spoiling us with love,
She's truly a gift, from God up above.*

*Now, twenty-three years have come and passed,
Life has flown by, way too fast.*

For what happened next, I can't comprehend, My wife has left - it feels like the end.

If she only knew how much she is missed, From the simple touch of her goodbye kiss.

*All I do now is pray every day,
That God opens her heart, and will lead her my way.*

*I'm talking about my best friend, and "Love of my life,"
She's the only one for me, I'm talking about my wife.*

Months have passed, I'm all out of tears, Now I must surpass all my worst fears.

*It seems to be over for my family and me,
Until I turned in my Bible, to read Psalm, Chapter 23.*

NOTICE

Notice is hereby given that Kentucky Utilities Company seeks approval by the Public Service Commission, Frankfort, Kentucky of an adjustment of electric rates and charges proposed to become effective on and after August 1, 2012, subject to the "Stay-Out" Commitment in Article I.1.1 of the Settlement Agreement approved in September 30, 2010 Public Service Commission Order in Case No. 2010-00204, under which the change in rates may be filed with the Public Service Commission during 2012, but not take effect before January 1, 2013.

KU CURRENT AND PROPOSED ELECTRIC RATES

	Residential Service - Rate RS	
	Current	Proposed
Basic Service Charge per Month:	\$8.50	\$13.00
Energy Charge per kWh:	\$0.06987	\$0.07235

	Volunteer Fire Department Service - Rate VFD	
	Current	Proposed
Basic Service Charge per Month:	\$8.50	\$13.00
Energy Charge per kWh:	\$0.06987	\$0.07235

	General Service - Rate GS	
	Current	Proposed
Basic Service Charge per Meter Per Month:		
Single-Phase	\$17.50	\$20.00
Three-Phase	\$32.50	\$35.00
Energy Charge per kWh:	\$0.08332	\$0.08678

Availability of Service: Text changes clarify that demand component of eligibility for taking service under this rate will be calculated on 12-month average of monthly maximum loads. Also clarifies that a customer taking service under this rate schedule who ceases to take service hereunder must meet eligibility requirements of new customer to again take service under this rate schedule.

Determination of Maximum Load: New provision states how maximum load will be measured.

	All Electric School - Rate AES	
	Current	Proposed
Basic Service Charge per Meter Per Month:		
Single-Phase	\$17.50	\$20.00
Three-Phase	\$32.50	\$35.00
Energy Charge per kwh:	\$0.06670	\$0.07060

Availability of Service: Text change clarifies that customer taking service under this rate schedule who later ceases to take such service may not again take service under this rate schedule because it is closed.

	Power Service – Rate PS	
	Current	Proposed
Secondary Service		
Basic Service Charge (per Month)	\$90.00	\$90.00
Energy Charge (per kWh)	\$ 0.03300	\$ 0.03349
Demand Charge (per kW per month of billing demand)		
Summer Rate (May through September)	\$13.90	\$14.40
Winter Rate (All Other Months)	\$11.65	\$12.10

	Primary Service	
	Current	Proposed
Basic Service Charge (per Month)	\$90.00	\$125.00
Energy Charge (per kWh)	\$ 0.03300	\$ 0.03349
Demand Charge (per kW per month of billing demand)		
Summer Rate (May through September)	\$13.72	\$ 14.75
Winter Rate (All Other Months)	\$11.45	\$ 12.73

Availability of Service: Text changes clarify that demand component of eligibility for taking service under this rate will be calculated on 12-month average of monthly maximum loads. Also clarifies that a customer taking service under this rate schedule who ceases to take service hereunder must meet eligibility requirements of new customer to again take service under this rate schedule.

	Time-of-Day Secondary Service Rate TODS	
	Current	Proposed
Basic Service Charge (per Month)	\$200.00	\$200.00
Energy Charge (per kWh)	\$ 0.03490	\$ 0.03590
Maximum Load Charge (per kW per month)		
Peak Demand Period	\$ 3.89	\$ 4.50
Intermediate Demand Period	\$ 2.43	\$ 2.80
Base Demand Period	\$ 3.05	\$ 3.50

Availability of Service: Text changes clarify that demand component of eligibility for taking service under this rate will be calculated on 12-month average of monthly maximum loads.

	Time-of-Day Primary Service Rate TODP	
	Current	Proposed
Basic Service Charge (per Month)	\$300.00	\$300.00
Energy Charge (per kWh)	\$ 0.03522	\$ 0.03557
Maximum Load Charge (per kVA per month)		
Peak Demand Period	\$ 3.67	\$ 4.30
Intermediate Demand Period	\$ 2.31	\$ 2.70
Base Demand Period	\$ 1.28	\$ 1.60

Availability of Service: Text changes clarify that demand component of eligibility for taking service under this rate will be calculated on 12-month average of monthly maximum loads.

	Retail Transmission Service Rate RTS	
	Current	Proposed
Basic Service Charge (per Month)	\$500.00	\$750.00
Energy Charge (per kWh)	\$ 0.03414	\$ 0.03408
Maximum Load Charge (per kVA per month)		
Peak Demand Period	\$ 3.54	\$ 3.90
Intermediate Demand Period	\$ 2.30	\$ 2.90
Base Demand Period	\$ 0.85	\$ 1.30

Availability of Service: Text changes clarify that demand component of eligibility for taking service under this rate will be calculated on 12-month average of monthly maximum loads.

	Fluctuating Load Service – Rate FLS	
	Current	Proposed
Primary Service		
Basic Service Charge (per Month)	\$500.00	\$750.00
Energy Charge (per kWh)	\$ 0.03419	\$ 0.03419
Maximum Load Charge (per kVA per month)		
Peak Demand Period	\$ 2.30	\$ 2.40
Intermediate Demand Period	\$ 1.41	\$ 1.44
Base Demand Period	\$ 1.57	\$ 1.75

	Transmission Service	
	Current	Proposed
Basic Service Charge (per Month)	\$500.00	\$750.00
Energy Charge (per kWh)	\$ 0.02947	\$ 0.03092
Maximum Load Charge (per kVA per month)		
Peak Demand Period	\$ 2.30	\$ 2.40
Intermediate Demand Period	\$ 1.41	\$ 1.44
Base Demand Period	\$ 0.82	\$ 1.00

Current:

Where:

- the monthly billing demand for the Primary Peak and Intermediate Demand Periods is the greater of:
 - the maximum measured load in the current billing period, or
 - a minimum of 60% of the highest billing demand in the preceding eleven (11) monthly billing periods, andthe monthly billing demand for the Primary Base Demand Period is the greater of:
 - the maximum measured load in the current billing period but not less than 20,000 kVA, or
 - a minimum of 75% of the highest billing demand in the preceding eleven (11) monthly billing periods, or
 - a minimum of 75% of the contract capacity based on the maximum load expected on the system or on facilities specified by Customer.
- the monthly billing demand for the Transmission Peak and Intermediate Demand Periods is the greater of:
 - the maximum measured load in the current billing period, or
 - a minimum of 40% of the highest billing demand in the preceding eleven (11) monthly billing periods, andthe monthly billing demand for the Transmission Base Demand Period is the greater of:
 - the maximum measured load in the current billing period but not less than 20,000 kVA, or
 - a minimum of 40% of the highest billing demand in the preceding eleven (11) monthly billing periods, or
 - a minimum of 40% of the contract capacity based on the maximum load expected on the system or on facilities specified by Customer.

Proposed:

Where:

- the monthly billing demand for the Peak and Intermediate Demand Periods is the greater of:
 - the maximum measured load in the current billing period, or
 - a minimum of 50% of the highest billing demand in the preceding eleven (11) monthly billing periods, andthe monthly billing demand for the Base Demand Period is the greater of:
 - the maximum measured load in the current billing period but not less than 20,000 kVA, or
 - a minimum of 75% of the highest billing demand in the preceding eleven (11) monthly billing periods, or
 - a minimum of 75% of the contract capacity based on the maximum load expected on the system or on facilities specified by Customer.

Street Lighting Service - Rate ST. LT.
and
Private Outdoor Lighting - Rate P. O. LT.

Street Lighting Service (Rate ST.LT. – Sheet No. 35) and Private Outdoor Lighting Service (Rate P.O.LT. – Sheet No. 36) are being reorganized into two rate schedules. The first schedule will be named Lighting Services (Rate LS) and will be a consolidation of lighting fixtures currently offered. The second schedule will be named Restricted Lighting Service (Rate RLS) and will be a consolidation of lighting fixtures that are in service but no longer available for new or replacement installations. The current and proposed rates are presented below based on the lights to be included in Rate LS and Rate RLS. The lights proposed to be contained in the specific schedule are shown in bold type with the current light and rate sheet shown below the proposed light.

Proposed Lighting Service Rate LS

Lighting Energy Service Rate LE		
	Current	Proposed
Energy Charge per kWh:	\$0.05647	\$0.05958

Traffic Energy Service Rate TE		
	Current	Proposed
Basic Service Charge per Month:	\$3.14	\$3.25
Energy Charge per kWh:	\$0.07182	\$0.07614

Dark Sky Friendly Rate DSK			
Current Rate			
DSK Lantern	4,000	.050	\$21.31
DSK Lantern	9,500	.100	\$22.22

Proposed Rate
This rate schedule is proposed to be included in Lighting Service Rate LS.

Cable Television Attachment Charges – Rate CTAC		
	Current	Proposed
Attachment Charge per year for each attachment to pole:	\$5.40	\$10.01

Curtailable Service Rider 10 – Rider CSR10		
	Current (per kW)	Proposed (Per kVA)
Monthly Demand Credit:		
Primary	(\$5.50)	(\$2.80)
Transmission	(\$5.40)	(\$2.75)
Non-Compliance Charge:	\$16.00	\$16.00

Proposed Contract Option: Removes restriction that KU may only use physical curtailment during system reliability events. Also changes contract options' demand from a 15-minute demand basis to the one the customer's standard rate schedule uses.

Curtailable Service Rider 30 – Rider CSR30		
	Current (per kW)	Proposed (Per kVA)
Monthly Demand Credit per kW:		
Primary	(\$4.40)	(\$2.30)
Transmission	(\$4.30)	(\$2.25)
Non-Compliance Charge per kW:	\$16.00	\$16.00

Proposed Contract Option: Removes restriction that KU may only use physical curtailment during system reliability events. Also changes contract options' demand from a 15-minute demand basis to the one the customer's standard rate schedule uses.

Load Reduction Incentive Rider – Rider LRI	
Current Rate	Up to \$0.30 per kWh
Proposed Rate	This rate schedule is proposed to be eliminated.

Standard Rider for Excess Facilities – Rider EF	
Current Rate	
Customer shall pay for excess facilities by:	
Monthly Charge for Leased Facilities:	1.54%
Monthly Charge for Facilities Supported	
By a One-Time CIAC Payment:	0.74%

Proposed Rate
No adjustment in the monthly charge for a replacement of facilities will be made during the initial five (5) year term of contract.
Customer shall pay for excess facilities by:
(a) Making a monthly Excess Facilities charge payment equal to the installed cost of the excess facilities times the following percentage:
Percentage with No Contribution-in-Aid-of-Construction 1.28%
(b) Making a one-time Contribution-in-Aid-of-Construction equal to the installed cost of the excess facilities plus a monthly Excess Facilities Charge payment equal to the installed cost of the excess facilities times the following percentage:
Percentage with Contribution-in-Aid-of-Construction 0.49%

Standard Rider for Redundant Capacity Charge – Rider RC		
	Current (per kW)	Proposed (Per kVA)
Capacity Reservation Charge per Month:		
Secondary Distribution	\$0.85	\$1.55
Primary Distribution	\$0.68	\$0.99

Standard Rider for Supplemental or Standby Service – Rider SS		
	Current (per kW)	Proposed (Per kVA)
Contract Demand per month:		
Secondary	\$6.54	\$12.91
Primary	\$6.17	\$12.35
Transmission	\$5.99	\$11.17

Availability of Service: Text addition clarifies that KU has no obligation to supply non-firm service to a customer-generator unless the customer seeks supplemental or standby service under Rider SS. This requirement does not apply to Net Metering Service (Rider NMS).

Temporary and/or Seasonal Electric Service Rider TS
Availability of Service: Text change clarifies that service is available when it is not necessary for KU to install permanent facilities.
Conditions: Customer will pay for non-salvageable materials plus a monthly charge for the salvageable equipment at the Percentage With No Contribution in-Aid-of-Construction specified on the Excess Facilities Rider.

Real-Time Pricing Rider RTP
Current Rate: Billing under this Rider is formulaic.
Proposed Rate: This rate schedule is proposed to be eliminated.

Standard Rate for Low Emission Vehicle Service – Rate LEV		
	Current	Proposed
Basic Service Charge per Month:	\$8.50	\$13.00
Energy Charge per kWh:		
Off-Peak Hours	\$0.04904	\$ 0.05078
Intermediate Hours	\$0.07005	\$ 0.07254
Peak Hours	\$0.13315	\$ 0.13788

Availability of Service: Clarifies that rate is available to customers eligible for Rate RS or GS where the GS service is used in conjunction with an RS service to provide service to a detached garage and energy usage is no more than 300 kWh per month.

Meter Test Charge	
Current Rate	\$60.00
Proposed Rate	\$75.00

Disconnecting and Reconnecting Service Charge	
Current Rate	\$25.00
Proposed Rate	\$28.00

Meter Pulse Charge	
Current Rate:	\$9.00 per month per installed set of pulse-generating equipment
Proposed Rate:	\$15.00 per month per installed set of pulse-generating equipment

Customer Deposits
Kentucky Utilities Company is proposing no change to the required Customer Deposit for residential electric customers served under Residential Rate RS from the current amount of \$135.00 (0% increase), and the required Customer Deposit for general service customers served under General Service Rate GS from the current amount of \$220.00 (0% increase). Text change states when Rate GS deposit may be waived in conjunction with taking service under Rate RS.

Kentucky Utilities Company proposes to change the text of the following electric tariffs: General Service Rate GS, All Electric School Rate AES, Power Service Rate PS, Time-of-Day Secondary Service Rate TODS, Time-of-Day Primary Service Rate TODP, Retail Transmission Service Rate RTS, Fluctuating Load Service Rate FLS, Street Lighting Service Rate ST LT, Private Outdoor Lighting Rate P.O.LT, Cable Television Attachment Charges Rate CTAC, Curtailable Service Rider CSR10, Curtailable Service Rider CSR30, Excess Facilities Rider EF, Redundant Capacity Rider RC, Supplemental/Standby Service Rider SS, Rider IL for Intermittent Loads, Temporary/Seasonal Service Rider TS, Large Green Energy Rider LGE, Low Emission Vehicle Service Rate LEV, Fuel Adjustment Clause FAC, Demand Side Management Cost Recovery Mechanism DSM, Environmental Cost Recovery Surcharge ECR, and the Terms and Conditions.

Changes to the Terms and Conditions include proposed clarifications on terms and conditions for determining customer rate assignments, as well as when standby or supplemental service must be purchased if customer desires non-firm service.

Although KU is not proposing to change the text of its Fuel Adjustment Clause ("FAC"), other than the correction of a minor typographical error in Paragraph (3), it is proposing to recover certain costs through the FAC to ensure that the correct amounts are collected through base rates and the FAC.

Complete copies of the proposed tariffs containing text changes and proposed rates may be obtained by contacting Lonnie E. Bellar, Kentucky Utilities Company at 220 West Main Street, Louisville, Kentucky, 502-627-4830, or visiting Kentucky Utilities Company's website at www.lge-ku.com.

The foregoing rates reflect a proposed annual increase in revenues of approximately 6.5% to Kentucky Utilities Company.

The estimated amount of the annual change and the average monthly bill to which the proposed electric rates will apply for each electric customer class is as follows:

Electric Rate Class	Annual \$ Increase	Annual % Increase	Mthly Bill \$ Increase	Mthly Bill % Increase
Residential	\$37,381,886	8.03%	\$ 7.41	8.03%
General Service	\$ 9,061,201	4.97%	\$ 9.20	4.97%
All Electric School	\$ 635,467	5.81%	\$ 82.81	5.81%
Power Service	\$ 6,849,989	2.53%	\$ 96.29	2.53%
TODS (Secondary)	\$ 1,907,198	6.59%	\$ 1,160.80	6.59%
TODP (Primary)	\$12,380,611	6.62%	\$ 6,159.51	6.62%
Retail Transmission	\$ 5,128,398	6.50%	\$ 11,982.24	6.50%
Fluctuating Load	\$ 1,417,956	6.25%	\$118,163.01	6.25%
Outdoor Lights	\$ 1,267,776	5.41%	\$ 0.62	5.41%
Lighting Energy	\$ 124	5.42%	\$ 11.27	5.42%
Traffic Energy	\$ 6,388	5.40%	\$ 0.79	5.40%
CTAC	\$ 681,722	85.37%	N/A	N/A

The rates contained in this notice are the rates proposed by Kentucky Utilities Company; however, the Public Service Commission may order rates to be charged that differ from the proposed rates contained in this notice.

Notice is further given that any corporation, association, body politic or person with a substantial interest in the matter may by written request, within thirty (30) days after publication of the notice of the proposed rate changes, request to intervene. The motion shall be submitted to the Public Service Commission, 211 Sower Boulevard, P. O. Box 615, Frankfort, Kentucky 40601, and shall set forth the grounds for the request, including the status and interest of the party. Intervention may be granted beyond the thirty (30) day period for good cause shown. Any person who has been granted intervention may obtain copies of the application and any other filing made by the utility by contacting Lonnie E. Bellar, Vice President – State Regulation and Rates, Kentucky Utilities Company, c/o LG&E and KU Energy LLC, 220 West Main Street, Louisville, Kentucky, 502-627-4830.

A copy of the application and testimony shall be available for public inspection at the office of Kentucky Utilities Company, 100 Quality Street, Lexington, Kentucky, or the Public Service Commission, 211 Sower Boulevard, Frankfort, Kentucky.

A copy of this Notice and the proposed tariff, once filed, shall also be available for public inspection on Kentucky Utilities Company's website at www.lge-ku.com.

AREA NEWS

Establish Small Plots of Clover to Improve Deer and Turkey Hunting

FRANKFORT, Ky. – Establishing small plots of clover throughout your hunting area can pay big dividends during deer and wild turkey seasons.

Summer is a good time to start preparations for an initial planting in the fall.

“If managed correctly, stands of clover can last for three to five years without re-seeding,” said Chris Grasch, a private lands biologist who works in the Bluegrass Region for the Kentucky Department of Fish and Wildlife Resources. “Plots can be as small as ¼- to ½-acre in size and should be located where there’s full sun at least part of the day.”

Clover needs to be mowed periodically, at least once a year, and doesn’t thrive in shady areas. This perennial cool-season legume helps increase soil fertility and provides an almost year-round source of high quality forage for deer. Clover starts growing in the early spring and lasts until it is killed back by the heaviest frosts of late fall.

The first step in this habitat improvement project is to find the right area to establish a plot and prepare the soil for planting.

Secluded woods openings are especially attractive to deer because they feel safe feeding there in the late afternoons, offering good opportunities for close shots.

One option is to locate the plot at the edge of a field or existing opening that deer are already using.

Make sure your tree stand or ground blind can be located within easy shooting range.

A second option, which is especially important for bow hunting deer, is creating a wildlife opening between heavy cover, where deer are known to bed, and the travel routes they take through adjacent woodlands.

Pick a level spot with decent soil fertility. Old fields covered with weeds, brush or small trees can be cleared using hand tools, a chainsaw or mower. A tiller can also be used to prepare the area for planting.

If the area is covered with fescue, Grasch recommends using herbicide to kill back the tall grass. “If the site already has some clover, there are herbicides available that will kill the fescue without harming the clover,” he said.

A chemical-free option is solarization, which uses the heat of the sun to kill the grass, vegetation or weed seeds in the soil. On a sunny summer day, place sheets of clear plastic on the ground and weigh them down with rocks on each corner. The extreme heat that develops under the plastic will kill grass and weeds down to their roots in a few days.

Conduct a soil test to measure the nutrient levels -- nitrogen (N), phosphorus (P), and potassium (K) -- and pH level (acidity) of the soil. Soil test kits are available at most farm

stores. Follow directions carefully.

Consider using 10-10-10, a formulation commonly available in 50-pound bags, if fertilizer needs to be added to your plot. Both fertilizer and agricultural lime are available in pellet form for easy application with a hand-crank spreader.

Lime improves water penetration and the uptake of nutrients to plants growing in acidic soils.

“If fertilizer needs to be added to the site, I suggest cutting the amount in half from what is recommended for crop production,” said Grasch. “But don’t skimp on the amount of lime that is recommended; low pH is usually the issue with our soils.”

Winter wheat is a good choice for an initial planting in the fall because it’s high protein, is easily digestible by wildlife and makes a good nurse crop for clover. It grows best when the soil has a pH of 5.8 to 6.5.

“Winter wheat should be planted from Aug. 15 to Oct. 15 and you might try mixing in some clover seed,” said Grasch. “I recommend planting ladino (white) with some medium red clover.”

Clover can also be planted the following year in February or early March. Seed can be spread on a cover of light snow, or in advance of light rain or snow. The freezing and thawing action helps the seed move down into the soil so it can germinate and become established quickly.

Use these long summer days to plant a patch of clover and improve your deer hunting this fall.

CALENDAR OF EVENTS

July 8, 2012

A benefit dinner and auction in honor of Debbie Crider will be held at the Knights of Columbus Hall in Fancy Farm, Kentucky on July 8, 2012. The dinner will be held from 11:00 a.m. until 2:00 p.m. with an auction at 12:30 p.m. Amongst the items up for grabs will be St. Louis Cardinals tickets, third row from the field. All proceeds from the benefit will go towards Debbie Crider who is battling inflammatory breast cancer.

Repairs to the KY 1037 Railroad Overpass south of Clinton in Hickman County are complete. The roadway has reopened at this site. The wooden structure continues to be restricted to one lane traffic with a 3-ton load limit. The load limit restricts the structure to vehicles no heavier than a passenger vehicle or an empty standard pickup truck. KYTC Engineers expect a new concrete structure planned for the site to be ready for construction sometime late this year or early next year.

Extreme Drought Makes Case for Extra Caution When Using Fireworks

Frankfort, Ky. (June 22, 2012) – The Kentucky Division of Forestry and the Division of Fire Prevention are reminding Kentuckians to be safe with fireworks this Fourth of July, especially in light of the dry weather.

“Given the current drought conditions, we urge Kentuckians across the state to take extra precaution when using fireworks this holiday season,” said Leah MacSwords, director of the Division of Forestry. “Sparks from fireworks can and do ignite wildfires especially in dried grass and fields, and the slightest wind can make these fires

spread quickly.

“The Division of Forestry has been responding to wildfires throughout June because of the extra dry conditions,” she said.

While most Kentuckians are cautious with fireworks, state fire marshal Bill Swope asks the public to abide by common sense safety measures and Kentucky state law. “Citizens should pay close attention to local officials and be aware of burn bans in their area and potential prohibitions against celebrating with fireworks,” said Swope.

Safety guidelines set by state law must be followed, he

said. They include that people under 18 cannot sell fireworks unless supervised by a parent or guardian; people under 18 cannot purchase fireworks; fireworks cannot be used within 200 feet of a structure, vehicle or other person; and fireworks cannot be sold to anyone who is under the influence of drugs or alcohol. In addition, local vendors and citizens are required to comply with any and all local ordinances that apply to the sale, purchase and use of fireworks.

The Division of Fire Prevention offers the following safety tips to keep your fam-

ily safe over the upcoming July 4th holiday and throughout the summer:

Use fireworks outdoors only.

Obey local laws. If fireworks are not legal where you live, do not use them.

Always have a bucket of water or a working water hose nearby.

Only use fireworks as intended. Don't try to alter them or combine them.

Never relight a "dud" firework. Wait 20 minutes and then soak it in a bucket of water.

Use common sense. Spectators should keep a safe dis-

tance from the shooter and the shooter should wear safety glasses.

Alcohol and fireworks do not mix. Have a "designated adult shooter."

Do not use homemade fireworks or illegal explosives: They can kill you!

Report illegal explosives to the fire or police department in your community.

Last year a new state law went into effect that allows for the purchase of fireworks that are known as ‘1.4 Consumer Fireworks.’ Swope reminds consumers that the new law does not mean that fireworks you see at profes-

sional shows are legal; they are not. Providing that local ordinances allow, Kentuckians can purchase and use popular fireworks like Roman candles, firecrackers and bottle rockets.

“Safety and supervision are keys to a successful celebration. However, I recommend that families attend local firework displays instead of celebrating with fireworks at home. Let the professionals entertain your family.”
